The Contract evidenced by this Waybill is subject to the terms of the Carrier's standard Bill of Lading terms and conditions (as stated on the reverse hereof) and applicable tariff, which are mutatis mutandis applicable to this Waybill (copies of which may be obtained from the Carrier or its authorised agent).

The contract evidenced by this Waybill is deemed to be a contract of carriage as defined in Article 1 (b) of the Hague-Visby Rules. However, this Waybill is not a document of title to the goods.

Unless the Shipper expressly waives its right to control the goods until delivery (by means of a clause on the face hereof), any instructions from the Consignee will be subject to any instruction to the contrary by the Shipper.

Unless instructed to the contrary by the Shipper prior to the commencement of Carriage (and noted accordingly on the face hereof) the Carrier will, subject to aforesaid terms and conditions, process cargo claims with the Consignee named in this Waybill. Any such claims settlement shall be a complete discharge of the Carrier's liability to the Shipper.

The Shipper hereby accepts these terms and conditions (including the Incorporated Bill of Lading and applicable tariff) on its own behalf and on behalf of the Consignee and the owner of the goods and the Shipper hereby authorises the Consignee to bring suit against the Carrier in its own name, but as agent of the Shipper and the Shipper warrants that it has authority so to accept and authorise. The Shipper further undertakes that no claim or allegation in respect of the Goods shall be made against the Carrier by any person other than in accordance with the terms and conditions of the Waybill.
